In the Fall of 2015, Dr Hall was tailgating with Fraters Neil Cate, Dennis Layer & others when he expressed an interest in helping TKE return to ASU.

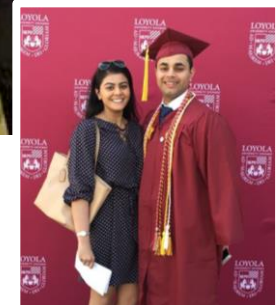

Dr Hall has a great heritage with Beta-Psi despite not being an undergraduate. His 2 older brothers, Dr George Hall #341 & Dr Ray Hall #416 & are distinguished Alumni.

Dr Hall was initiated with Scroll #1390 on 6/11/16 during our Goat Roast '16 activities.

Both Advisors will work between the Alumni Board of Directors & the Chapter.

Frater Jay Patel, Epsilon-Kappa #832, contacted us in the Spring of 2016 about helping in Beta-Psi's return to ASU. He was highly recommended by the Offices of the Grand Chapter. We were impressed with his prior knowledge of Beta-Psi's history.

While an undergraduate, his chapter was a Top Teke Chapter AND he was selected as a Top Teke for his work with his chapter & scholastic achievements.

He has been working with our undergrads along with Frater Tanner Shelton, TKE National. This will ensure a seamless transition in leadership as the colony begins their 2nd semester. He will work with our Local Mentors in officer development.
